

Home Helper Program from TotalProtect

Homeownership can be expensive. Very expensive.

Inside electrical lines wear out... appliances break down... power surges destroy computers, TVs and other electronics... A/C and refrigerator filters need changing. The list goes on and the expenses add up every day.

Wouldn't it be nice if there was **one** program that could help lower **multiple** homeowner costs while offering peace of mind at the same time?

Well, now there is! Introducing: **Home Helper Program from TotalProtect.**

FEATURES & BENEFITS

\$1,500 IN INSIDE ELECTRIC AND SURGE PROTECTION

Covers customers from the high cost of repair and replacement caused by electrical line wear and tear (\$1,000/year) and surge events (\$500/year).
